Competition Gate Volunteer Eligibility & Guidelines

- Access for Competition and Event groups must be done through the Competition Gate (also known as the back gate).
- An event group includes all staff, coaches, officials, parents, volunteers, athletes and spectators.
- Upon booking an event, MNP Community & Sport Centre requires that the user group provide a volunteer to manage the Competition Gate. All volunteers must be at least 18 years of age and must read and comply with all the policies and procedures outlined below.
- The volunteer is required to arrive at the Customer Service desk 45 minutes prior to the event booking, to become familiar with how to operate the gate. Participants are allowed access to the facility 30 minutes prior to the event.
- User groups may have more than one volunteer throughout their event, however there must be a minimum of one volunteer (and a maximum of 2) at the gate at all times for the duration of the event.
- If requested, the event has the option of distributing event access barcode to scan at the Competition Gate. Regardless of the barcodes, a gate volunteer must be present for the duration of the event.
- At no time should any event items be stored behind the Competition Gate.

Volunteer Responsibilities

- For volunteers beginning their shift at the start of the event day, or at the mid-day start of the event (after a break has occurred), you are required to arrive no later than 45 minutes prior to the event start time.
- For volunteers joining the event in-progress, you are required to arrive no later than 15 minutes prior to your shift start time.
- Upon your arrival, you should receive training on the Competition Gate operations and MNP Community & Sport Centre access policies. If you are the first volunteer of the day, or the first after a break, a Customer Service Department (CSD) Representative will provide this training to you. If you are taking over the volunteer role from another volunteer, the current volunteer should provide you with the training prior to the completion of their shift.
- There must be a volunteer at the Competition Gate for the full duration of the event times. Please do not leave the Competition Gate unattended while the event is in progress. Should you need to step away for a short break (up to 5 minutes, use the washroom/get a coffee), please ask the CSD team prior to leaving. If you need to step away for a break longer than 5 minutes, please ensure another volunteer can cover the competition gate in your absence. If your shift has concluded, no volunteer has arrived to relieve you, and the event has not yet ended for the day, please check with your event meet manager and/or ask a CSD team member to contact the Competition & Event Coordinator or Duty Manager.
