

Executive Locker Room Closure Beginning June 30

April 28, 2025

Dear Executive Members,

We are writing to share some important updates regarding the Executive Locker Rooms at MNP Community and Sport Centre and the beautification phase of the Leisure Expansion Aquatics Project (L.E.A.P.).

As part of our ongoing commitment to providing an exceptional experience for all Members, we will be beginning a major renovation to the facility. To accommodate this exciting transformation, the Executive Locker program will be discontinued starting June 30, 2025. These spaces will be temporarily repurposed as general locker rooms to support all members during this time, as the traditional locker rooms will be closed for renovations.

To ensure a smooth transition, we will create additional change room space elsewhere in the facility to accommodate all users requiring access. Additional details will be shared once confirmed.

Key Details:

- **Closure Date:** Executive Locker program discontinued June 30, 2025
- **Action Required:** Please remove all items from your tote by June 26, 2025
- **Unclaimed Items:** Items left after June 26 will be securely stored and can be retrieved at Guest Services and available for pick until July 31, 2025.
- **Program Update:** The Executive Locker Room program and associated fees will be discontinued automatically during construction as of June 26, 2025. All full pay executive memberships will be cancelled and refunds will be available on accounts starting July 7th, 2025.
- **Looking Ahead:** Existing Executive program members will have priority for the enhanced Executive Program when it reopens in 2027.

We're excited about the improvements ahead and deeply appreciate your patience and understanding as we work to create a better experience for all members. Your facility membership will remain active, and your spot in the Executive program will be held for you when it reopens

Thank you,

MNP Community & Sport Centre Team
