

Upcoming Temporary Service Disruptions — L.E.A.P Renovations

May 1, 2025

Dear Members and Guests,

We're excited to move into a renovation phase of the Leisure Expansion Aquatics Project (L.E.A.P.)—a major step forward in enhancing the facility. As part of this upgrade, we'll temporarily close some amenities to complete key renovations to several existing facility spaces that were built in 1983 and have been well loved for more than 40 years.

Temporary Closures & Dates

- **Dive Tank:** June 30 – Oct 20, 2025
- **Competition Pool:** June 30 – Nov 10, 2025
- **Teach Pool, Cold Tub:** June 30 – Dec 15, 2025
- **Men's & Women's Change Rooms, Steam Room:** June 30 – Dec 24, 2025
- **Other spaces in the building may be affected temporarily during renovations**

**Note these dates are approximate and subject to change*

WHAT TO EXPECT

- We will provide temporary changing areas during the renovation, including use of Executive Change Rooms and additional dry spaces. Additional details will be shared once confirmed.
- The Executive Membership program will be paused during this time. A detailed notice has already gone out to those affected.
- The Training Pool schedule will be adjusted to maintain access for both public swimmers and Sport Partner athletes.
- There may be short-term closures of other areas during this time to support the main renovations.
- We recognize this will cause some short-term inconvenience. However, these changes pave the way for a more modern, functional, and welcoming facility for all Calgarians. We will keep you informed of updates along the way.

Thank you for your patience and support as we bring this vision to life!
